

S-420

Mail'n Ship Station

Intelligent Mail and Parcel Processing

Mail And Parcel Processing Made Easy

Dynamic business environments count on powerful performers who can get the job done with accuracy and speed.

Quadient's intelligent **IS-420 Mail'n Ship Station** delivers it all, with fast, reliable and easy-to-use lettermail and parcel processing. With state-of-the-art technology, whisper-quiet operation and **MYQUADIENT** online tools at your fingertips, the IS-420 is the best-in-class solution to meet all your mailing and shipping requirements. The sleek ergonomic design saves space and easily integrates into any business environment.

Quadient and Bullfrog Power®

Quadient is proud to be partnered with Bullfrog Power, Canada's leading green energy provider. By choosing Bullfrog Power's green energy for all our Canadian facilities, Quadient is reducing its environmental impact and supporting the growth of green energy projects in Canada.

This multi-year partnership will also see Bullfrog Power's generators inject 100% green electricity back into the grid to match the power consumption of all Quadient **Mail'n Ship Stations** installed at new customer locations. **Mail'n Ship Stations** powered by green energy are a first for the industry in Canada and demonstrate Quadient's commitment to include all stakeholders in its sustainability efforts.

Get the most out of your IS-420 with integrated online shipping and instant postage payment

Need to send a large envelope or a package? Simply access NeoShip from your suite of **MYQUADIENT** online tools, follow the illustrated prompts and create your Canada Post compliant shipping label in 4 simple steps;

1. Choose a package type and weigh your item
2. Enter the shipping address
3. Choose the delivery date, service and any extra Canada Post service options
4. Print the postage paid shipping label from a desktop or thermal label printer and affix to the package. Pay for postage before you ship using your Quadient Digital Postage On Call (DPOC) account.

Easy-to-use operational control

An intelligent user console puts even the occasional user in control with simple to follow navigation menus.

Eliminate errors and improve productivity with a host of smart functions and effortless menu prompts that deliver the extensive features of the IS-420.

Use the Rate Wizard and Shortcut features, as well as Imprint Memories to save time and get your mail out faster.

From single envelopes to large packages, the IS-420 has all the tools you need to calculate postage with ease and accuracy.

Never run out of ink

Keeping your mail moving couldn't be easier with the Low Ink Alert feature that notifies Quadient when your cartridge gets low.

Our Customer Service Centre will give you a courtesy call to let you know you are almost out of ink.

Reordering online is simple and fast, and with the Click'n Snap design, changing cartridges has never been easier.
